

BIOCOM INSTITUTE DONATION FORM

The BIOCUM Institute serves as a bridge between learning institutions and life science companies to build comprehensive education initiatives that advance science literacy.

The BIOCUM Institute will help open minds and your support will help us open doors

PROGRAMS THAT YOUR DONATION WILL SUPPORT

Biotechnology Space Research Alliance: Partnership with NASA to encourage use of the National Laboratory on the International Space Station for breakthrough biotechnology discoveries and educational experiences.

Career Counselor Outreach: Informs high school, college, and career counselors about the broad scientific and non-scientific occupations that are available throughout the life science industry.

Life Science Immersion Program: A course that provides scientists with the business acumen to successfully transition into industry.

Life Sciences Summer Institute: Exposes teachers and students to the life science industry through training camps and internships.

Scholarship & Education Fund: Supports students demonstrating academic excellence and a desire to pursue research in life science.

Science Education Speakers Bureau: A program that matches industry professionals with K-12 guest speaking/teaching opportunities.
